### \*AGREEMENT FOR ENROLLMENT

- 1) To complete my child's registration, this form, the EFT (electronic funds transfer) authorization form along with a form from the financial institution or a voided check with proper account and routing numbers for tuition payments, and the nonrefundable registration fee payable by EFT, will be due. Monthly tuition will be paid by EFT draft. The first tuition draft will occur on May 31, 2024. This non-refundable payment will be for September's tuition. The next EFT will occur on September 1st for October's tuition. Subsequent tuition payments are due on the first of each month for the following month through April 1, 2024. If the EFT is returned, we will notify the parent or individual responsible for payment, and the funds will be due in cash the next business day. All returned EFTs will incur a \$20 processing charge.
- 2) Tuition will still be due, and no adjustments will be made in tuition for days missed due to student's illness, being out of town (including, but not limited to, extended trips abroad), regularly scheduled holidays, weather related closings, or other events beyond the control of the preschool.
- 3) When a child is voluntarily withdrawn from the program, parents must give a written notice at least 30 days in advance. If a 30-day notice is not given, tuition for the month will be due. If a child is still enrolled as of April 1, 2024, tuition for May 2024 will be due.
- 4) Tuition payments and registration fees are non-refundable.
- 5) In all emergencies, Christ the King Preschool has permission to take such reasonable measures which, in judgment of the Christ the King Preschool Staff, are necessary to maintain the welfare and safety of the child. Should my child need to have emergency medical care and have services rendered by a licensed physician and/or hospital, my child will be transported to an Emergency Room as determined by EMT's.
- 6) Christ the King Preschool reserves the right to close a class due to low enrollment.
- 7) My signature below acknowledges that I have: 1) read and completely understand the aforementioned terms and rules and agree to abide by them, and 2) given accurate information regarding my child's health.
